

## ACKNOWLEDGEMENTS

The World Trade Report 2005 was prepared under the general direction of Deputy Director-General Dr. Kipkorir Aly Azad Rana. Patrick Low, Director of the Economic Research and Statistics Division, led the team responsible for writing the Report. The principal authors of the Report were Marc Bachetta, Bijit Bora, K. Michael Finger, Marion Jansen, Alexander Keck, Roberta Piermartini and Robert Teh. Hildegunn Kyvik Nórdas, formerly of the Economic Research and Statistics Division, co-authored the essay on offshoring. Mireille Cossy of the Trade in Services Division also contributed to the essay on offshoring. Robert Anderson of the Intellectual Property Division and Pierre Latrille of the Trade in Services Division co-authored the essay on air transport services. Lee Ann Jackson of the Agriculture and Commodities Division co-authored parts of Chapter II on standards. Trade statistics and tariff information were provided by the Statistics Group of the Economic Research and Statistics Division, coordinated by Guy Karsenty, Julia de Verteuil, Andreas Maurer and Jürgen Richtering.

Aishah Colautti of the Economic Research and Statistics Division assisted in the preparation of the graphical input, Souda Tandara of Economic Research and Statistics Division prepared the Bibliographical Section. Research assistance was provided by Michele Budetta, Thierry Geiger, Gaurav Nayyar and Kristina Oswald. Other Divisions in the WTO Secretariat provided invaluable comments on drafts at various stages of preparation. The authors are particularly grateful to several individuals in the Appellate Body Secretariat, the Agriculture and Commodities Division, the Intellectual Property Division, the Legal Affairs Division, the Rules Division, the Trade and Environment Division, and the Trade in Services Division.

The research and analysis undertaken in the World Trade Report 2005 relies in part on external data. In this regard, the authors would like to thank Beuth Verlag GmbH for giving generous access to the Perinorm database. We should particularly like to acknowledge the valuable help proffered by Georg Grutzner and Daniela Trescher in this connection. The authors would also like to thank the International Civil Aviation Organization and the International Air Transport Association for providing data for the essay on international air transport services. Finally, it should be noted that the tariff profile tables were calculated jointly with the International Trade Centre (ITC) and the United Nations Conference on Trade and Development (UNCTAD).

The authors also wish to thank the following individuals from outside the WTO Secretariat who took the time to provide comments on drafts of the Report: Chad Bown, Jonathan Buck, Jean-Pierre Chauffour, Graeme Drake, Christopher Findlay, Peter Forsyth, Joe Francois, William Gordon, Ken Heydon, Henrik Horn, Steven Jaffee, Tim Josling, Ashish Lall, Donald MacLaren, Bruce Malashevich, Petros Mavroidis, Johannes Moenius, Damien Neven, Ronald Steenblik, Richard Smithies, Désirée van Welsum and Graham Vickery.

The production of the Report was managed by Paulette Planchette of the Economic Research and Statistics Division in close cooperation with Jean-Guy Carrier and Edmundo Murray of the Information and Media Relations Division. Lidia Carlos Silvetti and Paulette Planchette provided editorial assistance. Gratitude is also due to the translators in the Language Services and Documentation Division for their hard work.
